TEACHERS SACKED FOR BONKING IN CLASS

By BRAD CHADWICK

A HUSBAND and wife who are both teachers have been sacked after they filmed themselves BONKING in a school classroom.

Samantha Peer, also known by her porn alias 'Khloe Karter', filmed the 'inappropriate content' with hubby Dillon Peer, 28, and shared links on TikTok and Insta accounts followed by her students. Peer says she and Dillon were only producing x-rated movies because their classroom jobs didn't make ends meet.

Living wage going up by 90p an hour

CHANCELLOR Jeremy Hunt is set to announce a rise in the national living wage this week. Mr Hunt and Prime Minister Rishi Sunak will increase it from £9.50 an hour to about £10.40 an hour.

The rise of 10% would benefit around 2.5 million people.

The national living wage is the minimum hourly rate which adults in the UK, aged over 23, must be paid.

Among the other measures reportedly being considered are:

- Cost of living payments for eight million households worth up to £1,100.
- Payments of £650 for those on means-tested benefits such as universal credit, £150 for disability benefit recipients, and £300 for pensioner households.
- Freezing of thresholds for income tax, national insurance, VAT, inheritance tax and pensions savings.

Jobless rate back on rise

THE UK unemployment rate rose to 3.6% in the three months to September, up from 3.5% in August, official figures show.

Meanwhile regular pay continues to lag behind the cost of living, falling by 2.7% when adjusted for inflation.

The Bank of England has predicted that the UK is facing its longest recession since records began.

Chancellor Jeremy Hunt said: "I appreciate that people's money isn't going as far as it should. Putin's illegal war has driven up inflation."

WILLS WAVES OFF ENGLAND SQUAD

PRINCE William met England's footy stars at their training base, telling the squad 'we're all rooting for you'.

The royal, who has been president of the FA since 2006 and is a keen Aston Villa supporter, presented each of the players with their official jersey numbers ahead of the team jetting out to Doha for the World Cup finals.

William, 40, made the journey to St George's Park in Staffordshire to wish manager Gareth Southgate and his 26-man team good luck. The England team will play their first group match against Iran on Monday, airing at 1pm UK time. It's

unlikely that the Prince of Wales will make the journey to Doha unless the Three Lions reach the final, Buckingham Palace has said.

Dressed in a navy suit, with a jumper and white shirt, the Prince looked relaxed as he chatted to England's biggest stars - including Harry Kane, Jack Grealish and Marcus Rashford - who wore their official World Cup training kit.

Video footage from the event showed William posing for photos with the players. He told the squad: "I'm really here to point out that the rest of the country is behind you. We are all rooting for you, enjoy it."

NHS braces for its worst ever winter

THIS is going to be the worst winter ever, NHS bosses have warned - AGAIN.

In what has become an annual ritual among cash-hungry health bosses, 85% of NHS trust leaders say they are more concerned about this winter than any previous one.

The figure comes from a poll of health trust leaders as waiting lists in England continue to reach record levels and cancer targets are routinely being missed.

Some 48% of trust leaders rated the quality of healthcare provided by their local area as high, while 30% predicted it would reach that standard in two years' time.

Nearly half (46%) strongly agreed or agreed they were on track to meet elective recovery and cancer targets by the end of the financial year.

Just 61.7% of people get cancer treatment within 62 days of an urgent cancer referral, compared with 77.2% before COVID.

Meanwhile, it's predicted there are plenty of diversity co-ordinators to go around.

Public losing faith in Tories

THE public has "lost confidence" in the Conservatives' ability to handle the economy - but half have no faith a Labour government would do better.

At least half the public have little or no trust in either party's ability to manage the country's taxes and spending or reduce the cost of living, pollster Ipsos found.

The Conservatives fare worst, with 27% saying they trust the Tories to manage taxes and spending, while just 17% back the Government to reduce the cost of living.

Some 65% say they do not trust the Tories on taxation and spending.

Labour's numbers are better, with 38% saying they trust the opposition to manage taxation and spending.

Little Rishi gets tough with Russians...

STERN: Sunak stares out Lavrov at the G20

GET OUT OF UKRAINE!

RISHI Sunak told the scowling Russian foreign minister GET OUT OF UKRAINE!

By COLIN HURST
news@sundaysport.co.uk

The PM said "countries should not invade their neighbours" as he condemned Russia's invasion of Ukraine at the G20 summit in Bali.

Facing Russian Foreign Minister Sergei Lavrov in the hall, the PM called on Moscow to "get out of Ukraine and end this barbaric war" as he blamed the conflict for worsening global economic challenges.

He criticised Vladimir Putin for not attending, saying: "Maybe if he had, we could get on with sorting things out".

The gathering of leaders of the major economies was opened by Indonesian President Joko Widodo, who said the world would struggle to move forward "if the war does not end".

The annual summit comes as G20 nations are deeply divided over Russia's actions in Ukraine, which have pushed up food and energy prices around the world.

In his remarks, Mr Sunak said the context for this G20 "is stark".

According to a Downing Street transcript of his speech

to the closed session, the Prime Minister said: "Russia's illegal invasion has implications for us all, because it has undermined the fundamental principles of sovereignty and territorial integrity."

"We all depend on these principles. They are the foundations of international order. They must be upheld."

Destroying

"It is very simple - countries should not invade neighbours, they should not attack civilian infrastructure and civilians and they should not threaten nuclear escalation."

He said the economic issues "we should be focusing on

today are made much, much worse" by Moscow's actions.

"The weaponisation of energy and food is totally unacceptable," he said, adding that Russia is "harming the most vulnerable people around the world" by destroying grain stores and blocking shipments.

Mr Sunak urged fellow leaders to support the renewal of a deal allowing grain exports from Ukraine's Black Sea ports to ease the global food crisis.

He continued: "One man has the power to change all of this."

"It is notable that Putin didn't feel able to join us here. Maybe if he had, we could get on with sorting things out."

FOOD PRICES GO KETCH-UP

THE price of some of the most popular branded food items have as much as doubled in two years, new research suggests, as the cost of living soars.

Heinz Tomato Ketchup saw the biggest average percentage increase, with its 460g top-down version up by 53% or 91p, according to Which?

It also found that Dolmio Lasagne Sauce (470g) saw the second-biggest jump, up 61p in two years. Its

survey compared prices of 79 items across six major supermarkets.

The consumer group's findings suggest that the price of some of Britain's favourite branded products might be rising more quickly than the overall cost of living, which is going up at its fastest rate in 40 years.

Inflation, which measures how the cost of living changes over time, currently stands at 10.1%.

Which? analysed the cost of branded food items available in Asda, Morrisons, Ocado, Sainsbury's, Tesco and Waitrose over a 30-day period from September 21 to October 20 in both 2020 and 2022.

It found that the price of a 400g can of Classic Cream of Chicken Soup by Heinz also went up an average of 46% or 44p across the board from around £1 to almost £1.50.

Last week, Meg posted belated Halloween pics of herself and pop oddball boyfriend Machine Gun Kelly dressed up as Princess Zelda and warrior elf Link, both characters in a Nintendo video game.

And soon after, one Instagram follower put under Fox's post: "All that money and can't buy a razor. She's off my list."

"Are you mistakenly referring to my tattoo?" the *Transformers* star replied to the comment.

She added: "Either way I'm devastated to be off your list. Was hoping you'd wife me."

Junior staff scared of 'bully' Raab

DOMINIC Raab was so demeaning and rude to junior colleagues that many were "scared" to enter his office, the top civil servant under the then-foreign secretary has alleged.

Lord McDonald said he raised his concerns to Cabinet Office investigators at the time, and urged Rishi Sunak to "have another look" at bullying complaints procedures.

Despite warnings, the Prime Minister has been standing by Mr Raab after making him his deputy and Justice Secretary.

Lord McDonald said the minister "couldn't be made to see" the impact he was having on staff.

"Many were scared to go into his office," the crossbench peer said.

stripping off in *Euphoria*

By GARY DORAN gary@sundaysport.co.uk

THERE is something getting right on Sydney Sweeney's tits – big time!

The stunning actress is fed up with trolls grabbing screenshots from her nude scenes, and sending them to her FAMILY.

Syd, 25 – who currently stars in the film *Don't Worry Darling* – opened up about the challenges of being famous and pretty, one of which includes having your nude scenes grabbed and re-uploaded by internet trolls.

She said: "It got to the point where they were tagging my family

"My cousins don't need that. It's disgusting and unfair.

"You have a character that goes through the scrutiny of being a sexualised person at school and then an audience that does the same thing."

She has previously opened up about how the sex scenes in her breakthrough series *Euphoria* helped her with her body confidence.

And despite the work of trolls, Sweeney said she doesn't want to hide herself away, adding: "I'm an artist, I play characters. It makes me

want to play characters that piss people off more."

She also praised *Euphoria* creator Sam Levinson, who she "trusts so much" with her character, Cassie, adding: "It feels really good as an actor to be able to trust the filmmaker as it just changes the entire experience."

WEINSTEIN HAS A FISHY COCK

Former actress sobs as she describes perv's 'deformed' privates

JENNIFER Siebel Newsom sobbed as she described Harvey Weinstein's "distorted" and "fish-like" genitals during her bombshell testimony at the disgraced movie producer's sexual assault trial.

She broke down in tears recounting how Weinstein (left) allegedly raped her in 2005 at the Peninsula Hotel in Beverly Hills.

"I'm standing. I'm resisting,"

she said. "Horror. I'm trembling. This is my worst nightmare. I'm just this blow-up doll that he's just trying to masturbate off of."

When asked by Deputy District Attorney Marlene Martinez to describe Weinstein's physique, Ms Siebel Newsom said: "Lots of bruises, markings, yellow and green, lots of stretch marks on his belly, very not physically fit at all. Looked

uncircumcised and strange though, kind of fish like, the penis, something was distorted in the testicles... lots of skin, lots of skin down there."

Ms Siebel Newsom, a former actress, is the fourth woman to take the stand who has accused Weinstein of sexual assault in his trial at Los Angeles Superior Court.

Weinstein, who is already serving a 23-year sentence for rape and sexual assault in

New York, is facing charges for allegedly sexually assaulting four women in Los Angeles between 2004 and 2013.

Ms Siebel Newsom, 48, said she agreed to meet Weinstein at his hotel suite to discuss a film project, and because "he could make or ruin your career".

Ms Siebel Newsom said Weinstein penetrated her private parts with his fingers and then his "deformed" penis.

Animal porn pervert jailed for 18 months

A PERVERT was jailed for 18 months for possessing vile animal porn and breaching multiple sexual harm prevention orders.

At Bradford Crown Court, Philip Robst, 40, of HMP Moorland in Lindholme, Doncaster, was sent to prison for 18 months after pleading guilty to five offences, including possessing extreme pornographic images depicting sex with animals.

Prosecutor David Ward said Robst was previously convicted of offences of sexual activity with a child.

Mr Ward said: "This is clearly a deliberate breach and it's all aggravated by his previous conviction."

Robst's defence solicitor said: "Mr Robst was isolated because of COVID and found solace in porn."

In sentencing Robst Recorder Alex Menary said: "The police found eight extreme images of sex with animals, seven still and one moving, on your device and there were many other images deleted."

A MANIAC has been sent to the nuthouse after he tried to kill his own SISTER so he could have sex with her CORPSE!

The depraved 20-year-old was arrested by cops after he stabbed his 18-year-old sister in the head.

The victim said: "He entered my room at night, suddenly pulled out a knife and started to stab me in the head."

"I ran out of the room; if not he would have killed me - I don't know what happened to him."

Police confirmed the sicko said he wanted to have sex with his sister's corpse after killing her, because he was a "fan of necrophilia movies".

Necrophilia is not a criminal offence in Israel, as a High Court ruling in 2018 determined that sexual offences only applied to the living.

Will Matt Hancock WIN King of Jungle crown?

MATT Hancock's fortunes appear to be turning on *I'm a Celebrity...Get Me Out of Here!* after being made camp leader and being spared from undergoing the next Bushtucker trial.

The ex-Health Secretary, 44, cheered and laughed after it was revealed he had

been spared from yesterday's challenge, after being voted for by the public six times.

During Monday night's episode of the ITV reality show, it was revealed that Chris Moyles, Boy George and Babatunde Aleshe would all undertake Tuesday's trial - named Angel of Agony.

The news, delivered by hosts Ant McPartlin and Declan Donnelly, was greeted with shock in camp, with *Loose Women* star Charlene White declaring: "Plot twist!"

Now some are wondering whether shamed politician Hancock could actually WIN the King of the Jungle crown!

Earlier in the episode, viewers saw Hancock take part in the Deserted Down Under challenge, which involved the MP for West Suffolk lying on his back in an underground pit as he tried to unlock the valuable stars that were inside "hell holes" on either side of him.

Ahead of the challenge he told hosts Ant and Dec that he could "sense" that his campmates wanted to take on trials themselves.

Asked by Ant why the public had kept voting for him, Matt replied: "I don't know."

The first eviction from the camp is expected to be on Friday.

FINGER OF FUN: Englert has shown the lot on screen (above)

NEW telly series *Dangerous Liaisons* is set to be one of the steamiest adaptations to hit our screens.

The series inspired by the scandalous novel by Pierre Choderlos de Laclos, features some explicit intimate moments, including a masturbation scene.

There's one moment in the series created by Harriet Warner when protagonist Camille, played by Alice Englert, FINGERS herself, to turn a private act into a learning moment for her lover and co-conspirator Pascal Valmont, played by Nicholas Denton.

Pleasure

But Aussie-born Alice, 28, was quick to point out that she was not REALLY slipping her slender fingers into the moist privacy of her delightful FANNY!

She explained: "It was really funny to do that. Obviously I wasn't actually doing that - I was acting."

"I think that being able to be in a teaching role, it's like: 'I'm not interested in being impressed by you. I

want to actually show you what I'm capable of, and I want to show you pleasure. And then you'll know."

Englert described the scene as "quite hot" and empowering, as Camille is "able to take her own pleasure into their own hands, quite literally".

"But I think it's a really nice part of sex. Because sex is for you, you know?"

"You're a sexual being, whether or not you're f**king people. I think it's really nice to be able to show people what you're capable of," she added.

Earlier this year, pert actress Alice stripped fully naked for the horror flick *You Won't Be Alone*.

COCK OUT: Paul and (*below*)

**I SAW

NORMAL People actor Paul Mescal says a fan came up to him in the street and said: "I've seen your COCK!"

Paul's breakout role was in the hit 2020 BBC mini-series with Daisy Edgar-Jones, in which the pair shared VERY raunchy scenes.

In the adaptation of Sally Rooney's novel of the same name, Paul played shy Connell, who has a complicated years-long romance with classmate Marianne (played by Daisy).

The show was praised for its realistic and intimate sex scenes that featured both Paul and Daisy completely nude – tits, fannies, cocks, the lot.

Although the mini-series made the refreshing albeit controversial decision to feature both its female and male characters' naughty bits, the unconventional move has led to a lot of discomfort for the Irish actor.

Paul said he had one incredibly

inappropriate encounter with a woman who'd watched *Normal People* while he was out with a bunch of his friends in Ireland.

He noted that the woman was part of a hen party and stumbled up to inform him that she had taken a naked screenshot of him from *Normal People* and also asked if she could snap a photo with him.

"I didn't think the show was any good but I saw your willy and I have a photo!" Paul recalled the stranger saying to him.

"That was the first time that I was really angry. I was like, 'That's f**king rude!' It's embarrassing for you, for me, for my friends, and now I have to say, 'No' to you."

Paul also told *Elle* magazine in 2020 that he felt “objectified” after *Normal People*.

Rats are slaves to the rhythm!

SCIENTISTS have found that rats can perceive the beat of music and bop their heads along to the rhythm – an attribute previously thought to exist only in humans.

Researchers at the University of Tokyo played music for 10 rats, fitted with wireless accelerometers to measure their head movement, according to the study published in the journal *Science Advances*.

The music included Lady Gaga's *Born This Way*, Queen's *Another One Bites the Dust*, Mozart's *Sonata for Two Pianos in D Major*, and *Beat It* by Michael Jackson.

Minute-long sections were played at different speeds for the 10 rats and 20 human participants and the study found both rats and humans had the best beat synchronization in the range of 120 to 140 beats per minute.

A RED-faced family were in hysterics after seeing a cheeky monkey furiously masturbating at a safari park.

Sharing a video of the monkey on Twitter, Sean wrote: "Excellent day at Blair Drummond SP with the family. Highly recommended."

The clip, which has had around 4,000 likes, has also left viewers in stitches, with many taking to the comments section to share their best one-liners.

One user replied: "Living his best life," while another added, "Cheeky Monkey!"

Sex doll Brits face big fines

PARTY hotspot Malaga is set to ban inflatable sex dolls and blow-up penis costumes in a crackdown on stag and hen parties.

The southern Spanish city has become a tourist favourite thanks to cheap flights and a buzzing nightlife, but now locals are set to come down hard on "crude" antics.

The ban, set to be written into local law, could see offenders fined up to £650.

Plans being firming up by the city council will disallow nudity and "erotic items in public".

Thee law will say it is "forbidden to walk or remain in the streets only in underwear, or with clothes or accessories that represent genitals or with dolls or elements of a sexual nature".

Mayor Francisco de la Torre said it was time to make a stand, despite Brit tourism bringing in £7.4billion last summer.

Killer loses his appeal over death penalty

By DEREK JOHNSON
news@sundaysport.co.uk

A MAN sentenced to death for the killing and dismemberment of a woman he lured to her death through a dating app, has lost his latest appeal.

Aubrey Trail slit his own throat in the dock during his trial and had argued that his bloody act robbed him of a fair hearing.

But the Nebraska Supreme Court rejected the 56-year-old's appeal.

He was found guilty of the 2017 murder of Sydney Loofe, 24, and sentenced to death last year.

Trail's girlfriend at the time, Bailey Boswell, was also convicted as an active participant in Sydney's death and sentenced last November to life in prison.

Trail's claims also included the arguments that the judge should have declared a mistrial, or later, granted a request for a new trial, after Trail disrupted the third day of his trial by yelling: "Bailey is innocent, and I curse you all!" before cutting his own throat with a razor blade he had obtained in jail and sneaked into the courtroom.

In denying Trail's motions for a mistrial or new trial, the district court found that Trail's act of self-harm was "a calculating gesture".

The state's high court said it would not second-guess the trial court's decision in the matter.

The Supreme Court cited other appeals court cases that also ruled against defendants who had disrupted

GUILTY: Aubrey Trail (top) murdered Sydney Loofe

their own court hearings, saying that to allow mistrials in such cases "would provide a criminal defendant with a convenient device for provoking a mistrial whenever he chose to do so".

"As with these other defendants, we will not permit Trail to benefit from his own bad behaviour during trial," Justice John Freudenberg wrote for the court in its unanimous ruling.

Prosecutors said Trail and Boswell planned the abduction and killing of Sydney, whom Boswell met using the online dating app Tinder. Two days after Boswell and Sydney met for a date on November 14, 2017, her mother reported her missing.

Sydney's dismembered remains were found weeks later, stuffed into rubbish bags that had been dumped in a field near Edgar, Nebraska.

Elephants get trunk on villagers' hooch

A HERD of elephants "got drunk" on liquor made by the residents of Salipada, a village in the east Indian state of Odisha.

The mammals found large clay pots of "mahua", an alcoholic drink made from the fermented flowers of the *Madhuca Longifolia* tropical tree.

Pure mahua has an alcohol content level of up to 45 percent.

The pots of mahua were left out to ferment in the jungle, and Salipada locals were shocked to see the containers shattered and emptied of liquid.

Residents later found a herd of 24 elephants, including calves, asleep near the smashed pots.

A villager said: "They consumed the fermented water and got drunk!"

GIRL WORE ASHES IN BUTT PLUG UP ARSE AT AIRPORT

A LAW student was caught passing through airport security with her dead boyfriend's ashes hidden in a butt plug... up her ARSE.

Aussie Sarah Button, 23, was about to board a flight in the United Arab Emirates while wearing a butt plug in her late lover's "favourite place" when security officials raised the alarm.

"They took me and my friend aside without much explanation," Sarah said, adding that she was forced to call her dad to try and get help from the Australian embassy.

Button, whose Tiktok footage of the incident has since gone viral, said her late boyfriend gave her the sex toy as a joke gift before he died.

"The intention was initially a joke because he'd spent so much time in there and it was his favourite place," Sarah said.

Airport security officials had assumed the anal device was some kind of weapon.

Sarah said she and her pal were eventually free to go.

Pussy gives birth inside jet fighter!

A LITTER of kittens was born inside a vintage fighter jet at an aircraft museum, and were allowed to stay snuggled inside the cockpit for weeks to keep them safe.

Bill Falls, a volunteer at the Hickory Aviation Museum near Charlotte, North Carolina, was making his rounds when he spotted the furry stowaways inside a 1950s jet (above).

He said: "I saw this furry, little head pop up, and suddenly there was another... then another, and another!"

Inside, five kittens were meowing for their mum, Phantom – a feral cat who lives on the museum grounds.

Bill added: "There were kittens jumping all over the inside."

Museum workers soon decided to let Phantom raise her babies inside the jet for six weeks to help protect them from the coyote-filled wilderness surrounding them.

ACCORDING to health freaks and eco-fanatics we should all be living off grass and pond water.

To which, of course, we say: "BOLLOCKS!"

Thanks to our welcoming immigration policies, most British high streets are now a forest of fast food outlets to satisfy our every nutritional whim.

Grub

And what's more, a flood of illegal migrants working for buttons are more than happy to deliver this grub to our very doors!

Today is the day that we celebrate the modern miracle of fast food, which transforms globs of grease and sacks of animals' arseholes into tasty, caloric treats.

And to celebrate National Fast Food Day, here are FIVE pages of tasty babes feasting on the fastest of fast food... with their busters out!

'Every flick of her tongue is like heaven...'

#MY SEX FANTASY

...WITH VICTORIA BLAZE, 34C, FROM HULL

I HAVE a fantasy about going to a strip club and getting it on with a fit lap dancer.

I once paid a visit to a gentleman's club and it was a great experience.

It was mesmerising watching all these hot girls strip off and dance.

In my fantasy, I have a private lap dance and the girl is extremely flirty.

She really seems into me.

When the club closes she invites me to stay behind. We drink shots and one thing leads to another.

She takes me into the back room where we were earlier and she looks into my eyes as she girates and takes all her clothes off.

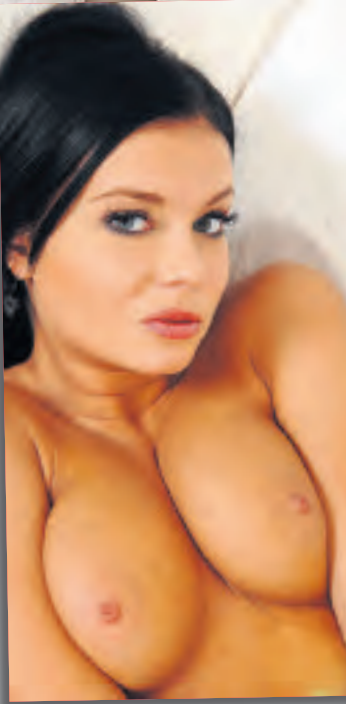

But this time she says: "You're allowed to touch."

I caress her curves – her soft thighs, waist and peachy bum are perfect.

Her huge boobs are really close up in my face and I can't resist licking a nipple.

She lifts up my skirt, pulls aside my knickers and tastes my clit. Every flick of her tongue is heaven.

I can see her peachy bum slightly spread in the mirror behind her and it's such a turn on that I come and it's super intense!

Cops find home full of Pitbulls in dogfight raid

MORE than 100 dogs were rescued after a man was arrested for running a dogfighting ring at his home.

Detectives raided the home of Vincent Burrell, 55, in Paulding County, Georgia.

Burrell (above) had been breeding, training, and facilitating more than a hundred Pitbulls in conjunction with dog fighting, the local sheriff's office said in a statement.

He has been charged with cruelty to animals and dog fighting.

Investigators who busted the operation found a disturbing scene of 106 dogs, mostly Pitbulls, living in conditions they described as "not fit for humans, much less dogs", adding: "Some of the dogs were emaciated, while others were strong and extremely aggressive toward other dogs."

"The sad part is the vast majority of these animals just craved the love and attention of the deputies and detectives that were on the scene."

All 106 dogs were taken to rehabilitation facilities, authorities confirmed.

OAPs want to rewind clock

IF time travel was possible a third of OAPs say they would love to relive part of their life.

A poll of 2,000 people aged 65 and older found that 36 percent wish they had the knowledge they have today, about love, money and health, when they were younger.

And the same number claim they would have made different decisions.

If they could relive any decade of their life, seniors mostly opt for their 30s (30%) or 20s (25%), remembering these as the happiest decades of their life.

Conducted for care home provider BrightStar Care, the survey also found that if they had the chance to redo one major decision, people would have saved more money (20%) or invested earlier (14%), while 36% are happy with their life.

RANDY OLD GOAT!

Tycoon, 84, demanded sex 10 TIMES a day

Like a Rata up a ruddy drainpipe!

Now randy comic Pete's hanging out the back of model Emily

THERE'S one thing that Hollywood shagger Pete Davidson never goes short of, and that's top FANNY!

The lothario is continuing his lucky streak with A-list ladies after catching the eye of newly-single bombshell Emily Ratajkowski.

The former *SNL* comedian, 28, and the model, 31, are said to be "in the very early stages" of dating and "really like each other".

They "have been talking for a couple of months" after being set up by mutual friends.

And the insider further divulged that Pete - who was once praised for his "big dick energy" by ex Ariana Grande, 29, and most recently had a whirlwind romance with Kim Kardashian, 42 - "loves how intelligent Emily is".

It comes after a recent internet rumour claiming the pair were seen "all over each other" went viral.

An anonymous tipster told gossip site DeuxMoi they saw Emily and Pete on a date on Brooklyn on Sunday, writing: "His hands were all over her and they're clearly hooking up."

Emily was last known to be dating DJ Orazio Riso, who she was seen passionately kissing in NYC last month, following her split from husband Sebastian Bear-McClard.

SUING: Janet Bedin wants £68m from Vito Verni (right)

AN OAP tycoon demanded sex 10 TIMES a day, his former partner claims in a bombshell lawsuit.

Janet Bedin, 68, said she and moneybags Vito Verni, 84, "lived together as a couple" between the beginning of 2019 and end of 2021 at his mansion in Westchester, New York.

The ex-model claimed her on-again-off-again octogenarian beau had persuaded her to ditch her career and her apartment, and move into his sprawling home.

Bedin is now suing Verni for £68m, and charging a laundry list including defamation, fraudulent inducement, harassment, and illegal eviction, according to court papers filed at Manhattan Supreme Court.

Duped

The civil suit paints a picture of a career woman duped by a man who swept her off her feet with promises of love and luxury that he did not keep.

Bedin even gave up her dog, because Verni had a cat, and she worked "like a horse", the complaint says, adding: "The plaintiff was to be 100 percent his caregiver. He meant for the plaintiff to be available for all his sexual needs, to be his escort, do his laundry, cook his meals. It turned out to mean sexual intercourse, at times up

to 10 times a day."

Over the years, Bedin "developed an exciting career, well respected by executives and government leaders, travelling back and forth from New York to Italy," the suit adds.

From 1991 to 1995, she served as executive director of the New York State Economic office for Italy and Spain under former Gov. Mario Cuomo. She served again in that post from 2015 to 2018.

Once Bedin moved in, "the relationship changed," the suit says, and that Verni became controlling and verbally and physically abusive.

And the "experienced New York City landlord for over 65 years" evicted Bedin, says the lawsuit.

Verni's lawyer, Eric Grayson, said: "Bedin's baseless lawsuit is one more attempt to harass Mr Verni... she filed the same suit last month and it was dismissed."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

They mess it up, and we pay the price

INCOMING SHITSTORM: Chancellor Jeremy Hunt

CHANCES are, you are reading this while sat on the loo during your lunch break.

And it's probably not the finest throne you've ever been on, but then Portaloos on wet and windy building sites rarely win Best Bog of the Year competitions.

But at least you're at work, eh? Building what needs to be built. Fixing what needs to be fixed.

Earning an honest day's crust. Then, at the end of the week or the month, you'll be handed your wages and, as ever, wince at the amount taken out before you even get to touch it.

We all know what income tax is. And thanks to recent events we are all starting to understand better how our National Insurance "contributions" are funnelled.

We get it. State pensions need paying. Hospitals need funding. Doctors and nurses need keeping.

Motorways and railways must be erected or repaired or improved.

Upgrades

Then there's also schools and universities also needing cash from the magic money pit, whether it's for upgrades or pay rises or both.

All those fancy buildings in London's Whitehall and along the River Thames need paying for.

Not just the bills, but the thousands upon thousands of staff within them.

Ditto in Edinburgh, Cardiff, and Stormont in Northern Ireland.

Plus COP27 and the G20 and the G7 and all the travel expenses and train and rail fares and more suits and more staff and more and more and more...

The vast number of people on the public payroll is both eye-watering and breathtaking.

All of it, and all of them, being funded by me and you.

And all that's before we even start to look under the carpet where so much waste is stealthily swept, which is all the hundreds of town halls and their offshoot offices and annexes scattered everywhere across the UK.

Then there's the quangos, and the advisory boards, and the bizarre organisations you have never even heard of doling out yet more dosh for arts, culture, business starts up... you name it.

All paid for by you and me.

But while you're sat there, most of the people referred to a couple of paragraphs earlier are planning to strike.

They'll agree to see airports close, trains stop, post delayed, and the sick die, if it means the Government bows to their demands and gives them pay rises the country can't afford.

Except when they actually say "the Government" what they really mean is the Tory party.

As if a Labour administration would be able to find any more money down the back of the proverbial couch (spoiler – they won't.)

Swish

That the country is f**ked is not in doubt.

What is in doubt is how many of those people in the fancy suits and swish chauffeur-driven cars and swish grace-and-favour country houses with butlers and caterers – all of it paid for by me and you – are going to do about it.

And we're about to find out on Thursday from current Chancellor Jeremy Hunt, who has now decided whose fault this whole mess is – which is YOURS.

As reward for him and all his colleagues completely bugging up our lives with their mad lockdowns and free furlough spending, WE will now have to repay it.

Like it's all our fault in the first place.

Like we all locked ourselves up. Meanwhile, all those thousands of people sucking thirstily from the public teat are hovering like flies on shit around your pay packet, determined to take a little bit more.

Enjoy your loo break while you can. Because these people are about to shit all over you.

Have-a-go hero saves kid in wood

A HERO rescued a child from a violent assault and held the attacker at gunpoint until police arrived.

Gun-toting hero Kelcey Willis (*above*) stopped for an oil change at a Walmart in Warner Robins, Georgia, when he saw a man grab a screaming child from his car and drag him into woods.

"The screaming kept getting louder and that didn't sit right," Willis said. "My first instinct was to grab my gun and go get that kid out of the woods."

Willis followed the pair and saw the attacker throw the kid on the ground and start choking him. That's when he whipped out his firearm and grabbed the child.

Warner Robins Police Department said that Haimnarine Doobay, 67, had taken a child from a vehicle into the woods behind the Walmart, where he choked the youth. It added that Willis held Doobay at gunpoint until officers arrived.

Doobay was arrested and charged with aggravated assault and cruelty toward a child.

Knife nut terror for passengers

A PLANE was forced to make an emergency landing after a deranged passenger with a box cutter knife threatened the packed flight.

Frontier Airlines Flight 1761, travelling from Cincinnati to Tampa in Florida, was rerouted to Atlanta Hartsfield-Jackson International Airport in Georgia after a person "threatened to stab passengers and crew members".

"The aircraft landed safely in Atlanta and the passenger in question was taken into custody by Atlanta law enforcement," a spokesman said.

No-one on board was hurt, they added.

After the armed man made a sudden move, a former law enforcement individual also on the plane tackled him before he was arrested by cops.

ONLYFANS TEACHERS SACKED FOR SHAGGING IN CLASS

By **BRAD CHADWICK**
news@sundaysport.co.uk

A HUSBAND and wife have been fired from their teaching jobs after school bosses discovered the pair filmed an OnlyFans porn video in a classroom.

Samantha Peer, who uses the porn alias 'Khloe Karter,' filmed the "inappropriate content" with her husband Dillion, 28, and shared links to it on TikTok and Instagram accounts followed by her students.

Her OnlyFans page features explicit content depicting sex acts reportedly in a classroom, with a student telling their mother that one post saw the randy Miss spread over a desk splaying her moist intimate parts.

After becoming aware of the page at some point during the school year, the students – barely in their teens – began circulating the graphic content.

Staff at Thunderbolt Middle School in Lake Havasu City, Arizona, soon became aware of the posts, which led to an internal investigation last month.

Rant

The couple no longer work for the school, with reports indicating they were sacked.

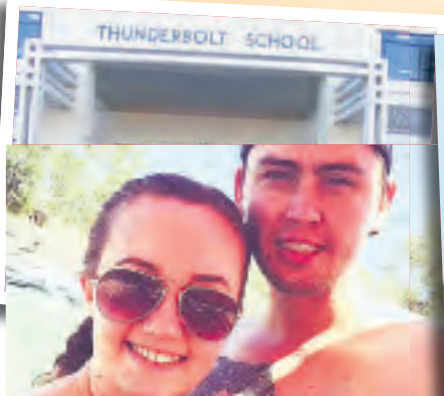

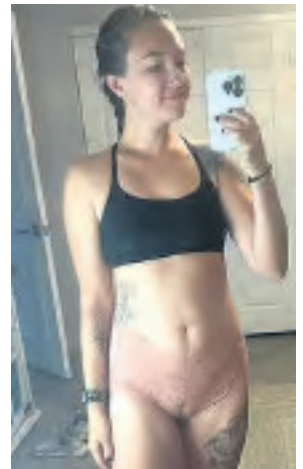

Officials said that Samantha's role was terminated on October 31, while her husband was fired soon after.

In a YouTube rant, the ex-science Miss said she began filming content this summer to pay for necessities.

She said she was forced to work "extra jobs in order to make ends meet", adding: "It got to a point where our family was not able to survive on our teacher incomes."

Samantha said the filmed acts and snaps were done by her and her husband after school, with no pupils present.

She conceded she made an explicit video in a school classroom and advertised it.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'M a 32-year-old woman with a bit of a problem. I have taken to going out late at night and flashing my knickers to lorry drivers. I get so turned on by yanking up my skirt and revealing my panties as they go by. Some flash their lights and honk their horns but others stop to have some fun.

In the past three months I have been with about 20 lorry drivers in their cabs. I just can't stop doing it and some of the lorry drivers now know me quite well.

They'll actually do a detour for a handjob, blowjob or even full sex with me over my car bonnet or in their lorry cab. It's always safe sex with a condom but I'm so addicted to the thrill I'm doing things I'd never imagined.

For instance, last night I went out in just stockings, suspenders, and a coat and was serviced by three truckers at the same time.

The first one had me over the bonnet with his cock right up my arse, while another was sat on the bonnet with his cock in my mouth and the third had got down on his knees to lap and finger my pussy. I had the most amazing climax. They took turns exploding in my arse, pussy and mouth. When I got home I was dripping in cum.

My boyfriend works away quite a bit, so these are the times I go out. But if he found out he'd be mortified.

I'm also worried the police will catch me one day – and if they do my world will fall apart. What should I do?

LT, Kent

Ashleigh says...

WHY not try a local dogging hot-spot. Better still, try and introduce your fella – slowly – to the scene.

Dear Ashleigh,

MY missus loves me to f**k her in the face – but my nads often give her black eyes as I'm pumping hard and fast in her mouth.

Every time she wants a mouthful these days I think the f**king social services are going to be round about wife-battering.

I know most fellas like the idea of putting one in the mouth, but to be honest I'd rather have her up the usual route.

What can I do?

NP, Liverpool

Ashleigh says...

EVER heard of those knitted nut protectors or welding goggles?

My girlfriend wants me to shag her pal

Dear Ashleigh,

MY girlfriend has told me she wants me to shag her best mate on this girl's birthday while she watches. Her mate is well fit, with long blonde hair, massive jugs and a fine figure.

The idea does turn me on and my bird has been dirty in bed recently as she says the idea of watching me shag her mate gets her going big time.

Just last night I shagged her up the arse for the first time ever. She moaned with pleasure as I slowly slid my eight-incher

up her tight little bumhole.

It was brilliant as I watched my cock sliding in and out. I pulled just as I was about to come and she sucked me off.

But I'm uneasy about shagging her mate and I think it could ruin our relationship.

What do you think?
HR, Peterborough

Ashleigh says...

YOU are right to feel uneasy about this. If you go through with it, you WILL damage your relationship – but you will probably have a lot of fun!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Bi babes tease punters, then tease my todger!

Dear Ashleigh,

I MUST be the luckiest bloke in the world because I'm shagging two gorgeous bisexual pals – at the same time

They're both 21, at university and they like nothing more than a hot three-in-a-bed session with me.

I'm 26 and I met the girls when they came into the pub I manage looking for work as barmaids.

There was only one vacancy but I took them both on as I thought a couple of great looking girls would pull in the punters.

Ours is a fun pub so I asked them to dress as college girls when they were on duty and they agreed with a wink and a giggle as they felt up each other's bums.

They are stunnas and the customers loved them when they saw them in their tiny mini-skirts, white open-neck shirts and uplift bras.

They also loved the fact that the girls were constantly flirting with one another and

making saucy comments about what they'd be doing to each other when they got home.

I took them both out for a meal a few weeks after they started work, and during the meal the talk was so flirty and dirty I had to sit with a hard-on throughout it.

They share a house with two other lezzer girls and after we'd finished they invited me back there.

Fingers

I still didn't think they had any inclination towards shagging men but to my surprise no sooner had we got indoors than they were all over me, feeling my rock hard knob through my trousers. As they slipped their fingers into my flies I damn nearly shot my load there and then right there in the hallway.

Then we all went up to their bedroom, stripped off and dived on one of the beds.

First, one of them went down

on me while her mate squatted over my face so that I could give her fanny a good licking out.

Then they swapped over and I was in my element as these two stunnas took it in turns to suck me off as they probed each other's slippery slits with their agile fingers.

But the best was still to come because one of them asked me if I had ever had anal sex.

When I said I hadn't, she giggled and got on all fours while her pal lubed her up and guided my erect todger into her tighter hole.

I began to thrust and she was squealing with delight. Her girlfriend was happy too as she lay beside us fiddling with her hard little clit.

The session lasted four hours and we all climaxed several times. Am I sorted, or what?

CD, south London

Ashleigh says...

THIS is the stuff of dreams – be sure to keep us posted.

Dear Ashleigh,

THE youngest brother of my hubby has turned out to be a right stud.

When we married he was a teenager but now he's in his mid-20s and he's absolutely gorgeous.

Last week I put on my sexiest undies and let my brother-in-law glimpse up my skirt when he came round to do some odd jobs on the house.

The next thing is, I catch him banging one off in the toilet and I tell him: "You don't have to do that."

I got hold of his massive todger and guided it straight into my soaking wet hole and we were off.

Five sweaty minutes later we were both wearing large smiles.

Before we left I sucked him off and swallowed his spunk.

I'm thinking of trying the middle brother next. What do you reckon?

GT, North Yorks

Ashleigh says...

YOU'RE playing with fire and you're going to get burned.

We're lesbians but enjoyed 3-way with my horny male boss

Dear Ashleigh,

ALTHOUGH I am a lesbian, and I have had a lovely girlfriend for four years, I recently cheated on her with my male boss.

To cut a long story short, we were the only ones in the office one night, he came on to me and I fancied it.

I got straight down to the bulge in his trousers. His cock was huge and tasted better than other cocks I'd sucked before. He was the first man I'd had sex with in six years.

He pleased me like never before and I did not hesitate in gobbling down his love-juice.

My boss knows my situation and suggested a threesome with my girlfriend – and to my

surprise she jumped at the chance.

He came round with some champagne and we all headed upstairs for a shower. I let him screw me from behind in the shower while my girlfriend soaped my tits.

Then he banged her doggy-style on the bed as I sucked his balls from below.

He then said he wanted to tie us both to the bed and f**k us up the arse. We agreed and he tied us with my stockings and then pounded our arses.

My girlfriend says that was a one-off but I want to do it again. How do I persuade her?

DC, Cheshire

Ashleigh says...

Keep plugging away. Sound like she won't take much persuading.

MIDWEEK Sport
ALWAYS HOME OF TOPLESS BABES

LOVELY Rita's surname might be Peach, but it's actually bananas that are her favourite fruit.

The model, who originally hails from Prague in the Czech Republic, told us: "Bananas are dear to me as they featured in my first adult video."

"Before I shot full boy-girl porn, I did masturbation videos and one involved me sliding a peeled banana into my pussy and then eating it afterwards."

Bunch

"It took loads of takes to get right and we got through a bunch of bananas – which is so cool, as I love bananas!"

The 32D stunna added: "My boyfriend loves bananas, too. When he licked me out that night, he asked, 'Have you had bananas in your pussy?'"

"I laughed, 'Yes!' and then he f**ked me hard in the ass!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to interactive *Midweek Sport* – where **YOU** get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally **FREE!**

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

LISA-MARIE BOURKE

BARISTA Harry Taunton says his coffee isn't the only thing that froths when he catches a glimpse of Scots stunna Lisa-Marie Bourke.

The 37-year-old coffee expert, from Cardiff, Wales, says the Aberdeen cutie always gets him going.

Harry said: "I love my job and I spend my days making milky, frothy coffees, but at night I love looking at photos of Lisa-Marie's 34F norks."

"I've grown up lusting over her, whenever I ogle her bare boobs, my coffee isn't the only thing that gets milky and frothy – another photo of her, please?"

KATIE ORGILL

COMMUNITY support worker Aasim Khan absolutely loves his favourite glamour girl Katie Orgill.

The 49-year-old, from Accrington, Lancashire, wrote in to ask for a saucy snap of Worcester wonder Katie.

Aasim said: "I have an elderly man I regularly visit at work and he always buys the *Sport*, so whenever I go round I have a flick through."

"Katie's 36C knockers always get me going and she's not only my favourite stunna but also my client's – make both our days, would you?"

CARLI BROOKS

WINDOW cleaner Martin Sykes begged us for a photo of willowly blonde new girl Carli Brooks.

The 57-year-old, from Hartlepool, says he's seen some sights over the years but he's never seen anyone like 34C Bristol babe Carli.

He said: "She's a beauty is Carli, every time I see a photo of her I go weak at the knees."

"In my years as a window cleaner I've seen plenty of naked women through the windows – but if I saw Carli in the nude I'd probably fall off my ladder!"

SPORT STARTS HERE WITH RACING

It's Jon for the money!

Jonbon is taken to come out on top in a fascinating early-season clash between three potentially smart novice chasers at Warwick.

Nicky Henderson's Supreme Novices' Hurdle runner-up faces Paul Nicholls' Monmiral, a gallant second to Epatante in the Aintree Hurdle, and Dan Skelton's West Cork, winner of the Greatwood Hurdle last season, in the Highflyer Bloodstock Novices' Chase.

But if any of the three are potential Arkle winners then surely it is Jonbon.

Bought to be a chaser, much has been written about his £570,000 price tag but that is no fault of his.

A large portion of it is down to the fact he is Douvan's brother, but he did also win a point-to-point in effortless fashion.

His season over hurdles would have been exemplary – apart from the fact his stablemate Constitution Hill looks a bit of a freak.

But in any case, if you take him out of the Supreme, then Jonbon would have won by 24 lengths himself.

He gained his own Grade One at Aintree, beating Willie Mullins' El Fabiolo narrowly,

but the suspicion was Jonbon had done enough by that time of the campaign and hopefully he can reach the top over fences.

Neil King has been waiting patiently to take the wraps off his new stable star Lookaway and finally gets the chance in the Derek Bridge Memorial Novices' Hurdle.

An Irish point winner, he won on his debut for King at Newbury and then went to the Grade Two bumper at the Grand National meeting.

Up against the might of Mullins, Nicholls and Henderson, Lookaway looked potentially top class in winning by two lengths.

The form has had a few knocks, it is fair to say, but Lookaway could do no more than win as impressively as he did.

Ramses De Teillee has had a wind operation late in life but it could have the desired effect ahead of the Racing UK Veterans' Handicap Chase.

David Pipe's grey has some solid form to look back on, notably when second in the Welsh National to Elegant Escape back in 2018 which makes it hard to fathom that

he is still only 10.

He has not won much for a horse of his ability, but he may find life easier now he is with the veterans.

Nicky Richards has always thought the world of Crystal Glory and he can begin to repay that faith now over fences in the Weatherbys nhstallions.co.uk Novices' Chase at Hexham.

Winner of two point-to-points and his first two novice hurdles, he ended the season chasing home Hillcrest at Haydock and finishing fourth to Gelino Bello in Grade One company.

The potential is there for him to be a good deal better over fences and he could be one of the north's smarter prospects.

Fresh from Paddy Power Gold Cup success Jamie Snowden should be celebrating again with You Wear It Well in the British Stallion Studs EBF "National Hunt" Novices' Hurdle.

A very comfortable winner on her hurdling debut at Worcester, she takes on the boys this time.

At Kempton the William Haggas-trained Brewing looks well up to defying a penalty in the Unibet Extra Place Offers

IT'S ALL KICKING OFF IN QATAR ON SUNDAY

Our best World Cup XI of all-time!

DO YOU AGREE WITH OUR PICKS?

THE best players on the planet will be in action at the 2022 World Cup in Qatar.

But what do you think of our all-time World Cup XI?

LEV YASHIN

Yashin played in three World Cups for the Soviet Union, helping them to reach the quarter-finals twice, in 1958 and 1962, as well as the semi-finals in 1966. Dynamo Moscow stopper Yashin remains the only goalkeeper to win the European Footballer of the Year award.

CARLOS ALBERTO

Roving right-back Alberto scored one of the most memorable goals in the history of the World Cup. It was his powerful angled drive, completing a brilliant team move, which sealed Brazil's 4-1 win over Italy in the 1970 final at the Azteca Stadium. Alberto went on to lift the Jules Rimet Trophy, which was Brazil's to keep following a third World Cup triumph in Mexico.

PAOLO MALDINI

Italian defender Maldini played at four World Cups and could operate across the backline. A superb tackler and also graceful on the ball, Maldini helped the Azzurri reach the semi-finals of

By JOHN ANTHONY

Italia '90 and – four years later – was part of the side which finished runners-up to Brazil in the United States.

BOBBY MOORE

Regarded by Brazil great Pele as the toughest defender he ever faced, Moore captained Sir Alf Ramsey's side to victory on home soil against West Germany at Wembley in 1966. Moore, who spent most of his club career at West Ham, skipped England again at the 1970 World Cup, memorably coming up against Pele during the group stage in Guadalajara.

FRANZ BECKENBAUER

'Der Kaiser', renowned for his positioning and distribution, played in three World Cups – including the 1966 final defeat to England and in the semi-final loss to Italy four years later, arm in a sling with a broken collarbone. Beckenbauer eventually got his hands on the trophy when West Germany won the World Cup on home soil in 1974. He later also managed Die Mannschaft to success at Italia '90.

JOHAN CRUYFF

Dutch playmaker Cruyff produced a series of brilliant

performances at the heart of the Netherlands team playing 'Total Football' under Rinus Michels which dazzled their way to the 1974 final. Cruyff, European Footballer of the Year three times, won a penalty inside the opening minute – but the Oranje could not hold out as hosts West Germany mounted a memorable comeback at the Olympiastadion in Munich.

ZINEDINE ZIDANE

While Zidane's World Cup story

THE GOAT: Pele

ended in ignominy when he was sent off in the 2006 final for headbutting Italy defender Marco Materazzi, the French midfielder was integral to Les Bleus memorable 1998 success in Paris. Gifted with grace and power on the ball in equal measure, Zidane scored twice, both headers, as Brazil were beaten 3-0 at Stade de France and was voted FIFA's World Player of the Year.

LIONEL MESSI

Considered a natural successor to Argentina great Diego Maradona, Messi was the driving force behind the run to the World Cup final in 2014, captaining the side in Brazil. Yet despite collecting the Golden Ball award as the best player of the tournament, there would be no repeat of Mexico '86 as Germany ground out a 1-0 victory after extra-time at the Maracana.

DIEGO MARADONA

Love him or loathe him, Maradona was at the height of his powers as captain of the triumphant 1986 Argentina squad. He scored one of the most memorable individual goals in the quarter-final win over England – following on from one of the most controversial with his 'Hand of God' – before eventually lifting the trophy after defeating

West Germany. There were, though, tears four years later as the Germans edged out Argentina 1-0 in Rome and Maradona was sent home from the 1994 World Cup in the USA after a positive drugs test.

THOMAS MÜLLER

Bayern Munich frontman Müller was arguably Germany's most influential player of recent times as they reached the semi-finals in 2010 before going on to win the World Cup four years later. His five goals in South Africa secured the Golden Boot as well as the Best Young Player award. In Brazil, Müller provided another five as Germany swept to a fourth World Cup triumph.

PELE

A three-time World Cup winner, Pele is widely regarded as the greatest of them all. As a 17-year-old in 1958, he became the youngest player to feature in a World Cup final and scored two goals as Brazil beat hosts Sweden. After injury limited his impact in the 1962 success and then limping off at Goodison Park as Brazil crashed out in 1966, Pele took a starring role in the fabled 1970 team to cement his place in World Cup history.

GUNNERS ON TITLE MARCH

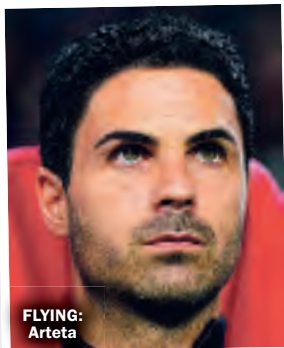

HERE'S our look at what we learned from the final round of games as the Premier League now takes a break until Boxing Day.

GUNNERS MARCH ON

While no-one really knows how teams will respond when top-flight action resumes after the World Cup, the signs are all positive for Arsenal. Mikel Arteta's side took advantage of Brentford's win at Manchester City in Saturday's early kick-off to later grind out another victory at Wolves. More stern tests will lie ahead rolling on into 2023, but that will not stop Gunners fans allowing themselves to dream that it could just turn into a vintage year.

TONEY SENDS ENGLAND MESSAGE

If Ivan Toney was smarting from being left out of Gareth Southgate's World Cup squad, he did not show it. The Brentford striker coolly tapped in a stoppage-time winner at the Etihad Stadium, having earlier given the visitors the lead with a looping header. Tournament regulations allow Southgate to still make changes to his 26-man selection should there be any late injuries ahead of the first World Cup game with Iran in Qatar.

FLYING:
Arteta

While that would be the most unfortunate of events for any player, if it happens to a forward, there is no doubt Toney would be ready for the call.

EVERTON FANS GET SHIRTY

Having taken the same round trip of some 524 miles twice in a week only to see their team well beaten at Bournemouth each time, you could forgive the travel-weary Everton fans for being less than impressed. After Saturday's 3-0 defeat – which followed a 4-1 Carabao Cup exit there on Tuesday night – disgruntled Toffees supporters threw Alex Iwobi's shirt back when it had been offered up by the midfielder. Frank Lampard and his squad will have certainly got the message that such abject displays are not good enough – and there is plenty of time to think how to put things right against fellow strugglers Wolves at Goodison Park on Boxing Day.

POTTER HAS THE BLUES

While Newcastle head into the World Cup break in high spirits after a 1-0 win over Chelsea at St James' Park left them in third, Blues boss Graham Potter faces more questions about the direction of his side following three successive league defeats and five without a win. Having also been knocked out of the Carabao Cup at Manchester City, the positivity following his appointment in early September has ebbed away. All is not yet lost, though, and perhaps the break will be just what Potter needs to start working his magic once again.

EMERY REVIVAL JUST THE TONIC

The new manager bounce has continued at Aston Villa as Unai Emery's men came from behind to win at Brighton on Sunday. It was a second straight Premier League victory for the Spaniard, whose much-changed side had been knocked out of the Carabao Cup at Manchester United on Thursday night. The feelgood factor is certainly back at Villa Park – and it will be tested to the limit when Liverpool visit on Boxing Day.

LOWDOWN ON THE WORLD CUP

WHEN DOES IT KICK OFF?

The action starts on Sunday, November 20, with the hosts taking on Ecuador in the opening game at the Al Bayt Stadium.

AND WHEN WILL IT FINISH?

The final will be played on Sunday, December 18 at the Lusail Iconic Stadium.

KEY OFF-FIELD ISSUES?

The decade leading up to the tournament has chiefly focused on migrant worker and LGBTQ+ rights. Labour advocacy groups have attributed thousands of migrant worker deaths in Qatar to infrastructure projects initiated since the

JUST FOUR DAYS TO GO

World Cup award. The decision to award the finals to a country where same-sex relationships are criminalised has also been criticised, with Kick It Out chief executive Tony Burnett likening it to allowing apartheid-era South Africa to host the tournament.

KEY CONTENDERS?

The usual suspects are all lined up, including holders France, five-time winners Brazil and an Argentina side led by Lionel Messi in what is surely going to be his last World Cup.

England fans' optimism

has faded after a disappointing showing in the Nations League this year, with concerns over the form and fitness of a number of key players.

WORLD CUP FIRSTS?

It is the first finals to be staged in the Middle East, the first to be played in November and December to avoid the searing summer heat of the desert, and the first to feature semi-automated offside technology.

It is also expected to be the first World Cup finals where a female referee takes charge of a match, with Stephanie Frappart among three women on the list of 36

officials for the tournament.

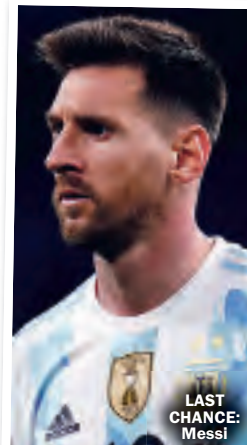

WHAT WILL IT BE LIKE FOR FANS?

On the positive side, the compact nature of the tournament means it is possible for fans to attend more than one game in a day.

The sale of alcohol is controlled in Qatar but will be available immediately at match venues and fan zones, as well as within hotels.

ANYTHING ELSE?

This will be the last men's World Cup to feature 32 teams. The number of finalists increases to 48 for the 2026 tournament, which will be co-hosted by Canada, Mexico and the United States.

OUR LOWDOWN ON ALL 32 TEAMS

WORLD'S

GROUP A

QATAR

Coach: Felix Sanchez
Star player: Almoez Ali
World Cup best: Debut
Qatar won the 2019 Asian Cup but face a major challenge to avoid becoming only the second host nation – after South Africa in 2010 – to be eliminated at the first hurdle. Their squad is based domestically and has been training together since June.

ECUADOR

Coach: Gustavo Alfaro
Star player: Moises Caicedo
World Cup best: Second round 2006
Ecuador were South American Under-20 champions in 2019 and have a youthful side which is quick, strong and suited to counter-attacking tactics. Argentinian Alfaro, appointed in August 2020, steadied the ship following a turbulent period. While he has toughened up the team defensively, goals have dried up in recent warm-up fixtures.

SENEGAL

Coach: Aliou Cisse
Star player: Sadio Mane
World Cup best: Quarter-finals 2002
In record scorer Mane, the African champions have world-class quality, while Chelsea pair Edouard Mendy and Kalidou Koulibaly are also key performers. Cisse's side qualified by defeating Egypt on penalties. They agonisingly missed out on a second-round spot in 2018 due to accumulating more yellow cards than Japan.

NETHERLANDS

Coach: Louis Van Gaal
Star player: Virgil Van Dijk
World Cup best: Runner-up 1974, 1978, 2010
The Dutch are back after failing to qualify for Russia. Van Gaal, who led them to third place in 2014, came out of retirement for a third spell in charge but has had limited time to implement his methods. A lack of club action for star striker Memphis Depay is not ideal, while goalkeeper is a position of weakness.

GROUP B

ENGLAND

Coach: Gareth Southgate
Star player: Harry Kane
World Cup best: Winners 1966
Semi-finalists in 2018 and Euro 2020 runners-up, England should be full of confidence. But the road to the Middle East has been littered with setbacks: six games without a win, five without a goal and relegation in the Nations League. Southgate has come in for criticism but is unlikely to deviate from a handbrake-on approach or drop under-performing regulars.

IRAN

Coach: Carlos Queiroz
Star player: Sardar Azmoun
World Cup best: First round five times
Former Manchester United assistant Queiroz was reappointed in September, having led Iran to the 2014 and 2018 tournaments. Each of those campaigns ended with group-stage elimination. Avoiding a hat-trick of early exits under Queiroz appears unlikely. Iran are rank outsiders with bookmakers and lack the star names of their group rivals.

UNITED STATES

Coach: Gregg Berhalter
Star player: Christian Pulisic
World Cup best: Third 1930
Berhalter is blessed with one of the most talented pools of players in US history. Many of his squad operate in Europe's top leagues and expectation back home is they will make it out of the group. The US have done so four times since 1990, including in 2010 – the last time they were drawn alongside England.

WALES

Coach: Robert Page
Star player: Gareth Bale
World Cup best: Quarter-finals 1958
Wales ended a 64-year wait for a second World Cup outing by overcoming Ukraine in a play-off. No other nation has gone so long between appearances. The fitness of talismanic captain Bale is central to their hopes, while a satisfactory draw provides reason for optimism. Few other countries can match Page's squad for spirit and togetherness.

GROUP C

ARGENTINA

Coach: Lionel Scaloni
Star player: Lionel Messi
World Cup best: Winners 1978, 1986
Messi has won everything possible at club level and, with the 2021 Copa America, finally lifted international silverware. Now aged 35, Argentina's most-capped played and record scorer has one last shot at football's ultimate prize. He is surrounded by an industrious and gifted team. Argentina are 35 games undefeated and confidence is high.

SAUDI ARABIA

Coach: Herve Renard
Star player: Salem Al-Dawsari
World Cup best: Second round 1994

CHAMPIONS:
France won
the last World
Cup in 2018

The Green Falcons cruised through qualifying but make the short trip to Qatar. They picked up their first tournament win since 1994 by defeating Egypt in Russia and have greater fight, discipline and belief since the appointment of Frenchman Renard.

MEXICO

Coach: Gerardo Martino
Star player: Edson Alvarez
World Cup best: Quarter-finals 1970, 1986
Mexico hold a remarkably consistent World Cup record, having suffered last-16 exits at the last seven tournaments. Emulating that may prove tricky. Many Mexican fans – dismayed by three successive defeats to rivals the USA in 2021 – feel pessimism towards Martino's ageing side, the core remains from past World Cup campaigns.

POLAND

Coach: Czeslaw Michniewicz
Star player: Robert Lewandowski
World Cup best: Third place 1974, 1982
Lewandowski has settled in seamlessly at Barcelona following his switch from Bayern Munich and will be critical to Polish hopes at what will almost certainly be his final World Cup. Michniewicz secured qualification in just his second match following the shock resignation of Paulo Sousa. Poland's last knockout match was in 1986.

GROUP D

FRANCE

Coach: Didier Deschamps
Star player: Kylian Mbappe

World Cup best: Winners 1998, 2018
Les Bleus are bidding to become only the third nation – after Italy and Brazil – to retain the trophy. Deschamps has a squad packed with talent, including Mbappe, Antoine Griezmann and Karim Benzema. Key midfielders Paul Pogba and N'Golo Kante are out injured but the defending champions are among the favourites.

AUSTRALIA

Coach: Graham Arnold
Star player: Mathew Ryan
World Cup best: Second round 2006
Expectations for the Socceroos are low following underwhelming qualifying, which ended with a surprise penalty shoot-out success over Peru. The golden generation of Tim Cahill, Mark Viduka and Harry Kewell is a memory, with few of the current crop playing in major leagues. A herculean effort is required to make it out of a tough group.

DENMARK

Coach: Kasper Hjulmand
Star player: Christian Eriksen
World Cup best: Quarter-finals 1998
Denmark won nine of 10 games in qualifying, scoring 30. Eriksen's return following his cardiac arrest at Euro 2020, where the Danes reached the last four, is both miraculous and a major boost. The 1992 European champions have a strong team ethic and will hope their influential playmaker can provide the spark.

TUNISIA

Coach: Jalel Kadri
Star player: Wahbi Khazri

World Cup best: First round 1978, 1998, 2002, 2006, 2018
Tunisia qualified by defeating Mali in a play-off. Coach Kadri has only been in charge since March after being promoted from assistant following the sacking of Mondher Kebaier. The 2004 African champions are tactically cautious and have never made it beyond the group stage. A 5-1 warm-up thrashing by Brazil emphasised the enormity of their task.

GROUP E

SPAIN

Coach: Luis Enrique
Star player: Sergio Busquets
World Cup best: Winners 2010
Enrique is developing a talented team as Spain attempt to finally emerge from the shadow of the squads which won the 2010 World Cup either side of successive European Championship triumphs. A run to the Euro 2020 semi-finals renewed belief after La Roja failed to win a knockout match at the previous three major tournaments.

COSTA RICA

Coach: Luis Fernando Suarez
Star player: Keylor Navas
World Cup best: Quarter-finals 2014
The final nation to secure a spot in Qatar overcame a dismal start to qualifying. Many of the veterans who helped eliminate England and Italy in 2014 remain, with the ageing core supplemented by a host of inexperienced youngsters. Navas is among the world's best goalkeepers but the draw has not been kind to the Central Americans.

DOING BATTLE IN QATAR

BEST!

**GERMANY**

Coach: Hansi Flick
Star player: Manuel Neuer
World Cup best: Winners 2014 (West Germany champions in 1954, 1974, 1990)
Germany were the first country to qualify but travel with subdued expectations. They suffered the ignominy of finishing bottom of their group four years ago and still appear to be lacking in key areas. That said, the mood is much more buoyant than at the end of the Joachim Low era.

JAPAN

Coach: Hajime Moriyasu
Star player: Daichi Kamada
World Cup best: 2nd rnd 2002, 2010, 2018
Japan will appear at their seventh consecutive finals. Moriyasu, who prefers a quick-passing, hard-running game, has 19 World Cup debutants. Arsenal's Takehiro Tomiyasu, former Liverpool player Takumi Minamino and Brighton's Kaoru Mitoma feature, while attacking midfielder Kamada hit five goals to help Eintracht Frankfurt win last season's Europa League.

GROUP F**BELGIUM**

Coach: Roberto Martinez
Star player: Kevin De Bruyne
World Cup best: Third place 2018
Bronze medallists four years ago, Belgium cruised through qualifying. Yet their much-heralded golden generation is past its best and has one final chance to turn potential

into silverware. De Bruyne is arguably at the peak of his powers but Eden Hazard and Romelu Lukaku have endured prolonged struggles at club level.

CANADA

Coach: John Herdman
Star player: Alphonso Davies
World Cup best: First round 1986
After years of international anonymity, Canada return from the wilderness for only a second World Cup appearance, having finished pointless and goalless in 1986. Herdman's side topped their qualifying group ahead of 2026 tournament co-hosts Mexico and the United States and produced some scintillating football along the way.

MOROCCO

Coach: Walid Regragui
Star player: Hakim Ziyech
World Cup best: Second round 1986
Morocco fired Wahid Halilhodzic a matter of months before the big kick-off. The Bosnian fell out with star man Ziyech, who was overlooked for the duration of qualifying. The Atlas Lions have won only two of 16 World Cup games. Regragui is tasked with injecting positive energy into a side with a history of flattering to deceive.

CROATIA

Coach: Zlatko Dalic
Star player: Luka Modric
World Cup best: Runners up 2018
Results have been mixed since the Croats stormed to the final in 2018. That achievement will be hard to replicate,

albeit they remain a dangerous proposition, as evidenced by June's 1-0 win over world champions France. Midfield remains their strongest area, where veteran skipper Modric, Marcelo Brozovic and Mateo Kovacic form a formidable backbone.

GROUP G**BRAZIL**

Coach: Tite
Star player: Neymar
World Cup best: Winners 1958, 1962, 1970, 1994, 2002
Defensively solid and with an exciting array of attacking options easing the burden on Neymar, the competition's most-successful nation are the pre-tournament favourites. They are looking to make their first World Cup final since winning the last of their five titles 20 years ago.

SERBIA

Coach: Dragan Stokjovic
Star player: Dusan Tadic
World Cup best: First round 2010, 2018
Former playmaker Stokjovic, appointed just before the qualification campaign, insists on attacking football and has the talent to follow the philosophy, including Aleksandar Mitrovic, Tadic, Dusan Vlahovic, Sergej Milinkovic-Savic and Luka Jovic. He has fostered a strong team spirit. An insecure defence is perhaps cause for concern.

SWITZERLAND

Coach: Murat Yakin
Star player: Granit Xhaka
World Cup best: Quarters 1934, 38, 54
Switzerland impressively topped their qualifying group ahead of European champions Italy. A memorable 18 months in which they were also a penalty shoot-out away from the semi-finals of Euro 2020 gives them realistic hopes of reaching the quarter-finals for the first time since they hosted the tournament 68 years ago.

CAMEROON

Coach: Rigobert Song
Star player: Vincent Aboubakar
World Cup best: Quarter-finals 1990
The Indomitable Lions are Africa's most frequent World Cup visitors but have not won a match at the finals for 20 years. Ex-defender Song replaced Portuguese coach Toni Conceicao in February after his former team-mate Samuel Eto'o became president of the Cameroonian Football Federation. Song's squad is in transition and may struggle to end the long wait for victory.

GROUP H**PORTUGAL**

Coach: Fernando Santos
Star player: Cristiano Ronaldo
World Cup best: Third place 1966
Santos has been in charge since 2014 and led Portugal to Euro 2016 glory. Credit in the bank from that success has almost been exhausted due to poor performances in recent tournaments. His squad is brimming with mercurial talent, such as Bernardo Silva and Bruno Fernandes, while 37-year-old Ronaldo remains the most reliable source of goals.

GHANA

Coach: Otto Addo
Star player: Thomas Partey
World Cup best: Quarter-finals 2010
Ghana bounced back from the humiliation of finishing bottom of their Africa Cup of Nations group by upsetting Nigeria on away goals in a qualifying play-off. Interim coach Addo has a hungry, young crop of players but has enjoyed just one win in 90 minutes since being appointed. The Black Stars are the lowest-ranked team in the tournament.

URUGUAY

Coach: Diego Alonso
Star player: Luis Suarez
World Cup best: Winners 1930, 1950
The two-time winners are very much in a transitional phase. Alonso took over late last year after Oscar Tabarez's record-breaking 15-year reign ended with the sack. The ex-Inter Miami coach must find the right blend between old and new generations, with Diego Godin, Suarez and Edinson Cavani preparing for final hurrahs.

SOUTH KOREA

Coach: Paulo Bento
Star player: Son Heung-min
World Cup best: Fourth place 2002
South Korea are set for a 10th consecutive World Cup campaign, an enviable record only bettered by Brazil, Germany, Spain and Argentina. Qualification was straightforward but they are perhaps overly dependant on captain Son. The Tottenham forward, who has 35 international goals in 104 caps, is touch-and-go for the tournament due to a fractured eye socket.

RAMSEY ON TOP OF THE WORLD

AARON Ramsey admits he is having to pinch himself ahead of Wales' first World Cup since 1958.

While it is five months since Wales secured qualification following an emotion-charged victory over Ukraine, departure day for Qatar topped up excitement levels.

"It's absolutely huge, and for us to achieve it is amazing," midfielder Ramsey said.

"You can feel the buzz around the place, and hopefully we can go out there and give a good account of ourselves.

"All these great teams we've had in the past, all these great players, they've come so close, but to actually do it, this has been many years in the making.

"You have to pinch yourself. It's brilliant for us as a country."

BRING IT HOME BOSS!

Southgate leads Lions to Qatar

GARETH Southgate proudly led his Three Lions squad on to the plane bound for the World Cup in Qatar.

The England side left from Luton airport after receiving a noisy send-off from hundreds of local schoolkids.

The Prince Of Wales was also on hand to present each player with their squad numbers for the tournament.

England kick off their campaign against Iran on Monday.

And skipper Harry Kane has his eye on the Golden Boot.

He said: "The main aim is bring the trophy home and win the whole tournament. If I get the Golden Boot along the way, that'll be a bonus.

"In 2018 it was an incredible experience, one of my favourite times playing football and, hopefully, there can be more of the same."
